

MARY IMMACULATE PRIMARY SCHOOL

*A dynamic and caring community committed to enacting our faith; challenging and engaging lifelong learners
(excellence, integrity, inclusiveness, respect)*

The best thing about Mary Immaculate School.....

Student Testimonials:

MIPS is a fantastic place to be because everyone is kind and friendly to each other. We have specialist classes every week including Italian, Performing Arts, PE, Library, Art, Science and Digital Technologies. Our specialist classes are heaps of fun and this is why I highly recommend this school. We also have many incredible days related to our learning. Some of these days include Book Week, Science Week, and Italian Day. This is why I highly recommend this school.

- Celeste, Year 6

I highly recommend this school because we take part in many sporting events such as athletics, cross country, soccer and netball. This is good because we get to meet people from other schools and competing can build your confidence. Another great thing about this school is that we have lots of good learning resources. All classes get to use computers. We learn how to use MacBooks and PCs.

- Zach Year 6

I love everything about my school except for leaving at home time!

- Louis, Prep

I love going to school because my buddy and friends are here.

- Charlotte, Prep

I think Mary Immaculate is a great school because you have Science, Physical Education, Library and Digital Technology. I recommend my school because this school has many learning opportunities. Another thing I like about my school is the different days such as Book Week Activity Day and Science Week.

- Luca, Year 4

I recommend my school because even if you are new, you'll be treated and known as a MIPS student. Everyone here is very nice and respectful, so you'll have a friend straight away. The teachers are lovely and take you on excursions outside of school. Sport is great, as well as Digital Technology, Performing Arts, Science, Art, Library and Italian - our specialist subjects. I came to MIPS in Year 3 and straight away I felt loved and part of the school.

- Grace, Year 4

Our school is small which means we all know each other and look out for each other.

- Tim and Max, Year 3

We have great teachers who care for us and make sure we have interesting and fun learning.

- Maeve and Adithi, Year 2

MARY IMMACULATE PRIMARY SCHOOL

The best thing about Mary Immaculate School.....

Student Testimonials:

Every day on the yard at MIPS you always feel welcomed by teachers and students. We have great equipment and technology. We also have assemblies to let us know what's going on in the week and students receive awards for showing the expected school values I am a friend, I am a learner and I am respectful. Being a small school means you get to know everyone. We have a great school community and great parent helpers. Each year, the Preps get a Year 6 buddy to help them through their first year at MIPS. I highly recommend this school.

- Ewan, Year 5

MIPS is a fun and friendly school where everyone is welcome. Our school is small so there are many opportunities to have good leadership in Year 6. We have a friendly community and a great principal that makes our school a better place, we also have fun and friendly educators that help us in class and out of class. We have school values that we follow to make our school a better place, I am a friend, I am a learner and I am respectful. Our teachers are very kind and are funny and help us when we need them. We have special need teachers to help us during class as well, which is very helpful. We have specialist classes and great technology to use. On Mondays we have a big assembly with the whole school that gives us information about the school and what we're going to do throughout the week. Lastly in Year 6 we have a Prep buddy to take care of. MIPS is a great and exciting school. I highly recommend this school.

- Ivy, Year 5

I would highly recommend MIPS because at MIPS we all know what the expected behaviour is. The kind staff are friendly, supportive and will help students with special needs. MIPS is a small school which means each student has more opportunity for friends, the leadership role they want in Year 6 and a Prep buddy. At MIPS you can count on the educators to help your child to learn something new every day! There are specialist classes on each Tuesday, Thursday and Friday, and the curriculum includes P.E., Italian, Performing Arts, Art, Digital Technologies, Science and Library. I am so glad I came to MIPS and I always feel welcomed here.

- Xander, Year 5

I like MIPS because the teachers are nice and I have good friends.

- Bastian, Year 2

What I like about Mary Immaculate is that our teachers are very kind and caring. They share and they have helpers too. At Mary Immaculate I enjoy having fun and I feel safe. When I first started Prep M, everyone welcomed me and I made new, kind friends. They were the kindest friends I have ever met.

- Daniella, Year 2

I like MIPS because it is a big school and I like the playground and I like top court and bottom court. I like the classroom and I have nice friends and the teachers are nice and I like books.

- Daniel, Year 1

The thing I like about Mary Immaculate is the cubby house on bottom court. We make cupcakes and cook them in the oven.

- Dora, Year 2
